Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner contacted applicant's representative to see if a response had been filed to the final office action dated 8/12/2003, as 6 months expired on 2/12/2004. Mr. Hyman said that a notice of appeal and after final amendment had in fact been filed on 2/11/2004. As the office had clearly not received these papers, but had charged the FEES associated with Notice of Appeal and Extension of time within third month, applicant was asked to fax in the amendment to the offical fax for scanning. ALthough the applicant did not have a postcard filing receipt, their charged account on 2/17/2004 was taken as proof of a timely submitted response. Following the scanning of papers into the TOC of this file, an advisory action will be completed by the examiner. .
